

BOAT DONATIONS & SALES

Thanks to generous donations from members and friends, the Boat Donation and Sales Program raised over \$45,000 in 2018, which provides critical support to Museum operations. Clif Ames and his team worked many hours inspecting, hauling, cleaning, and marketing donated boats. The Museum is grateful for their hard work and dedication to this program. If you or anyone you know are in the market for a used boat, go to the Museum's website, www.rfmuseum.org, for the latest offering.

ANTIQUUE & TRADITIONAL SMALL BOAT SHOW

Big changes are coming to the Antique & Traditional Small Boat Show! The show takes place every year in early September and offers a collection of beautifully restored old boats to admire, wonderful food and drink to enjoy, and a nautical flea market full of treasures.

We can't share the details right now as the committee is still finalizing the plans, but we can promise you it will be bigger and better than ever! Be sure to check the next edition of the Starry Banner for more hints about an event you won't want to miss.
