

# INDEPENDENCE DAY IN REEDVILLE

**Reedville's Independence Day Celebration** is a classic version of a small-town summer holiday. Families and friends will gather to take part in a host of activities, from the Firecracker 5K Fun Run in the morning all the way through the spectacular fireworks over Cockrell's Creek.

Enjoy a freshly cooked hotdog while watching the kids take part in old-fashioned delights such as a sack race and pie-eating contest that take place throughout the morning. Everyone loves Reedville's unique parade replete with firetrucks, floats, hotrods, and lots of free candy!

Be sure to save Sunday afternoon for a summer concert presented by the Reedville Festival Chorale. It is free and will be held at Festival Halle at 3pm. Donations of non-perishable food support the Healthy Harvest food bank. Cash donations support the Chorale's music purchases and the ongoing restoration of Festival Halle.

The Independence Day events require many hands to help set up and oversee the activities that take place throughout the day. Please call the office (804-453-6529) to find the perfect opportunity to donate an hour or two of your time. Even one short hour of your time will contribute greatly to the success of this annual event.

So put on your red, white, and blue, grab your lawn chair, and get ready for a weekend full of family, friends, and fun!
